

Peace is
a positive
force

"Generations to come
will scarce believe
that such a one as this
ever in flesh & blood
walked upon this earth..."
-Albert Einstein

 **HelpAge India** | Fighting isolation,
poverty, neglect

सात्त्विक सुख वह है, जिसमें दुःख का अनुभव नहीं है,
जिसमें आत्मा प्रसन्न रहता है, जो शुरु में जहर-सा
लगने पर भी, परिणाम में, अमृत के समान ही है।

गीता बोध - महात्मा गांधी

TTrue bliss is a state where adversity and sorrow
do not exist, an ever contended state - it is
like a medicine which in the beginning appears
bitter, but in truth, purifies from within.

Gita Bodh - Mahatma Gandhi
