

Shirley Barret's students can read this ad.
Don't skip this, if you aren't one.

This 77 year old spent her life teaching kids in a town in Jharkhand till one day after retirement, she found, she was left with no one to take care of her. She turned to HelpAge for assistance & it supported by it's Sponsor-A-Gran programme.

TAUGHT INDIA

Bansidhar Sharma fought for our freedom 62 years ago.
And asked nothing in return.

He spent his youth fighting for the nation. His cause was successful, but he went unnoticed. Today, at 86, he turns to our Mobile Medicare Units whenever he needs health assistance.

LED INDIA

Sonaji grew food for all.
But was left with no food for thought.

This 76 year old farmer lost his only source of livelihood when an earthquake destroyed his home and cultivable land. HelpAge assisted him by installing a lift irrigation system and helped him resume farming. He has inspired the whole village today, to find similar home-grown solutions.

FED INDIA

At HelpAge India, we actively voice the needs of thousands of such disadvantaged elderly. We advocate for their rights and work towards empowering them. We focus on issues such as pensions, social inclusion and healthcare to enable them lives with dignity.

With your assistance, we reach out to many more like them.

CHIEF EXECUTIVE

Mr. Mathew Cherian

FROM THE PRESIDENT'S DESK

I am pleased to present the Annual Report for the financial year ended March 31, 2009. This has been an eventful year for all of us in HelpAge India, as we take up the strategic change of increasing focus on creating greater awareness of the rights of the elderly and undertaking a higher level of advocacy on their behalf.

We have also made significant strides with fostering the involvement of children in the propagation of values.

The two themes of bringing more of the excluded elderly into our Mobile Medicare programme and providing dignity to the elderly especially through Palliative care and the Sponsor – A - Grandparent programme have brought us closer to those who are both old and marginalized, and alleviated for at least some of them, the harsh realities of their lives.

The demographic changes in the population resulting in enormous increase in the numbers of elderly and their day to day problems are among our future challenges, some of which our Helplines in various cities are attempting to address. We look forward to the day when all the elderly will be cared for with dignity.

I would like to thank the staff, management and our various donors, companies, trusts and foundations who have supported us in our mission.

AMAL GANGULI

Moving Forward...

This year's Annual Report pays tribute to all the elderly we work with – many of whom have shared their stories with us, enabling us to hear directly from those we work with and the impact we are making. We are integrating our programmes and services and consciously moving from welfare towards development and long term sustainability for seniors.

Advocacy is one of the strongest tools for impact and change, this year it gained impetus with sensitization of school principals, urging them to include Value Education on Age Care in school curriculums. In order to create a secure financial net for elders HelpAge also pushed forth Reverse Mortgage for seniors. To deal with the rising crime against elders, an awareness campaign was launched sensitizing decision makers to take action.

HelpAge is working closely with Senior Citizen Associations and encouraging seniors to speak up for their own rights. International Day of Older Persons was one such day when rural elders from remote areas in Tamil Nadu & Kerala, travelled to the national capital to put forth their demand for a National Commission for the Aged to Policy Makers.

In our continuing fight against poverty, isolation and neglect of elders in our society, we have

made significant strides this year. In Bihar post the Kosi floods, I witnessed the rebuilding of lives of elders through our relief work in Supaul district.

In many cities our Elder Helplines have been working to address the loneliness and neglect of elders. This is gradually becoming a nationwide service. Our new strategic plan has involved taking Age Care to many new locations. Physiotherapy Centres have been set up in Shimla, Dehradun and many other locations. We have expanded our medical work across the country treating more than a million elderly patients.

I would like to thank all those who have worked with us through out the country. All our staff, have worked tirelessly in this service. I would like to give a big thank you to all our donors who support our work so that we continue to serve the elders.

MATHEW CHERIAN
Chief Executive

EMPOWERED ELDERS DEMAND A "NATIONAL COMMISSION FOR THE AGED"

Elders at Nagpur station as they journey their way to Delhi from Cuddalore (TN)

In a move displaying determination and empowerment, 800 elders from remote areas in Tamil Nadu & Kerala, travelled more than 2000 Kms all the way to the national capital, in a special train starting from Cuddalore (TN). They came to put forth their demand for a National Commission for the Aged on International Day of Older Persons, October 1, 2008. It was a part of their Memorandum of Demands which they handed over to Mr. Rahul Gandhi, General Secretary of the Indian National Congress and Member of Parliament and Mr. P. Chidambaram, Home Affairs Minister. A copy of the Memorandum was also handed over to Ms. Vasanthi Stanley, Member of Parliament. Most of the elderly were representatives of Elder Self Help Groups affected by the devastating Tsunami of 2004. They came together and federated at the village & district levels and registered themselves as Elders for Elders Foundation with support from HelpAge. Events took place nationwide to mark the day, strengthening the power of seniors.

CREATING AN ENVIRONMENT FOR CHANGE

It's been a year of varied challenges with driven focus towards advocacy by the organization. A sustained effort is being made to raise issues and influence policy makers to bring about an environment conducive and beneficial for the elderly, whether through raising awareness about Elder Abuse, helping secure their finances through Reverse Mortgage or inculcating Value Education on Age Care in school curriculums.

Value Education on Age Care

The HelpAge team met up with educationists, school principals and policy makers nationwide, urging them to include Value Education on Age care in school curriculums. The aim is to sensitize children about age care issues early in life.

Value Education seminars were held all across the country in Uttar Pradesh, Andhra Pradesh, Madhya Pradesh, Bihar, Rajasthan, Maharashtra, West

Bengal, Gujarat, Chandigarh, Tamil Nadu, Karnataka, Kerala and Chattisgarh with decision makers. The response has been extremely positive and the initiative has already started creating ripples.

HelpAge's association with schools has been since its very birth. Never wavering in their commitment to support the less fortunate elderly, schools have always shown keen interest in fulfilling their responsibility towards society. They are now being mobilized in a big scale to support HelpAge's initiative of "Value Education on Age care."

Reverse Mortgage for Seniors

To tackle the growing financial insecurity faced by many senior citizens post retirement, HelpAge India and National Housing Bank (a housing finance regulator) joined hands with the hope to provide a solution for them through Reverse Mortgage, as per which the payment stream is "reversed", as compared to conventional mortgage. The lending institution makes periodic payments to the senior citizen or borrower against their property, thereby turning the property into a source of steady cash flow during their lifetime. Counseling Centres have been opened in Delhi, Hyderabad, Kolkata & Chandigarh with staff especially trained to provide details about the scheme.

Mr. Mathew Cheria (right), Chief Executive, HelpAge India, signs the Memorandum of Co-operation between HelpAge and National Housing Bank (NHB) at the function organized in Delhi. Looking on is Mr. Pawan Kumar Bansal, then Minister of State for Finance and a NHB official.

Marking World Elder Abuse Awareness Day

(from left) Mr. S. K. Dutta, General Secretary, Senior Citizens Council, Gurgaon (Haryana), Mr. Kapil Kaul, Country Head (Advocacy, Resource & Communications), HelpAge India, Mr. Satendra Gupta, DCP (Crime & Traffic) Gurgaon (Haryana), Dr. Shyamliha Pappu, Sr. Advocate of Supreme Court & Member of Law Commission of India, Mr. Sanker Sen, IPS (Retd.) and Pankaj Kr. Bhardwaj, Deputy General Manager-Marketing Division, Punjab National Bank, at the dais, during the function organized by HelpAge in Gurgaon (Haryana), marking World Elder Abuse Awareness Day. Experts from the police, legal system and senior citizens were brought together in a gritty face to face discussion to address the issue of Elder Abuse.

A focused change took place within HelpAge programmes, with a definitive shift from welfare towards integrated Age Care services for the elderly in urban as well as rural areas. Specialized healthcare for the elderly was provided, besides providing ophthalmic and ongoing care for Alzheimer's & cancer patients. The Mobile Medicare Unit programme expanded its scope of work and HelpAge also delved into providing physiotherapy & palliative care services and creating awareness about HIV/AIDS among elders.

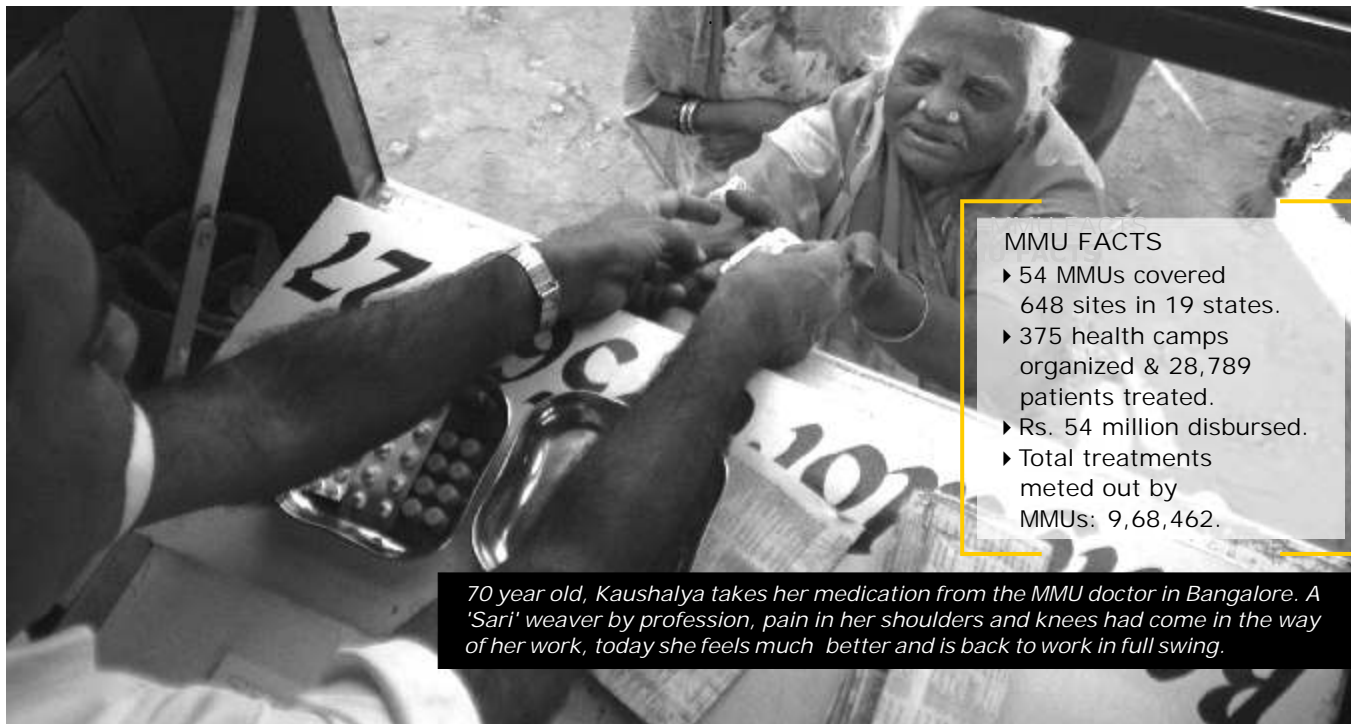

Mobile Medicare Units venture into newer territory

HelpAge's Mobile Medicare Unit (MMU) service always aims at finding new avenues to expand its healthcare initiatives and provide qualitative care to the needy elderly. In the north east in Guwahati, one such project was taken up by our MMU team, as social mapping with demographic

data was done at MMU sites, more time was spent on counseling cum education, be it for individuals or groups. Specialized home visits to bed ridden and sick elderly patients were conducted, restoring their mobility & strength, resulting in a positive attitudinal change among family members towards their elders.

On the other hand in the south, the MMU services running in Tamil Nadu & Andhra Pradesh went beyond basic healthcare and provided: physiotherapy through tie ups with Physio centres, physiological therapy, yoga & meditation classes, shelter assistance, disability aids, counseling and conducted multi-specialty camps. Linkages were also made to secure old age pension for beneficiaries by liaising with various state governments and helping elders form self help groups. Also in the north & west special health camps were conducted and disability aids distributed.

The MMU service all across the nation has endeared itself to many elderly beneficiaries who now act as volunteers helping others like themselves. It has been recognized by the LIMCA Book of Records in the year 2008 for the largest mobile health care network for the elderly in Asia.

70 year old, Kaushalya takes her medication from the MMU doctor in Bangalore. A 'Sari' weaver by profession, pain in her shoulders and knees had come in the way of her work, today she feels much better and is back to work in full swing.

MMU FACTS

- ▶ 54 MMUs covered 648 sites in 19 states.
- ▶ 375 health camps organized & 28,789 patients treated.
- ▶ Rs. 54 million disbursed.
- ▶ Total treatments meted out by MMUs: 9,68,462.

Project Kiran

70 year old Lakshmi, of Akkaraikori village, Cuddalore district (TN), had no one to look after her despite having a family. As her medical and psychological condition started deteriorating, she was given Palliative care under the community based programme titled "Project Kiran". A demonstrative module is running in Cuddalore, in partnership with the Institute of Palliative Medicine, Calicut and the Indian Association of Palliative Care. Palliative care is given when the patient's disease is no longer responsive to curative treatment and life expectancy is relatively short. More than a 100 community volunteers have been trained to provide specialized care.

GENERAL & OPHTHALMIC CARE FACTS

- ▶ Rs.5.83 crore (approx.) worth new projects sanctioned, out of which the total expenditure incurred was Rs. 2.96 crore.
- ▶ 36,397 cataract surgeries conducted through 67 projects.

Project Karuna – a first of its kind

To improve the quality of life of the aged, especially chronically ill patients including those affected by HIV/AIDS, HelpAge has launched a 3 year (2008 – 2011) pilot program titled Project Karuna. Currently it is underway in 11 villages in 9 Gram Panchayats in Korukonda Mandal in the East Godavari district of Andhra Pradesh. The Project has provided medical services to nearly 70% of the elderly in target villages. Elder Self Help Groups are being formed at each of the villages to provide individual & group counseling, promote awareness and access to resources & schemes including micro-finance and micro-insurance.

70 year old Sharda Devi of Basantpur village, (Shimla Dist.) gets regular treatment for her joint pains. She had been suffering since the past three years and found no relief despite going to the local hospital for treatment. Today, Sharda feels stronger & more independent since her visits to the HelpAge physiotherapy centre.

Specialized care for Elders – Physio Care

Old age is not a disease, a little care and caution can prevent or delay many disabilities. Keeping this in mind and the lack of specialized care available for elderly, HelpAge is now delving deeper into age care services, with regular Physio care services being provided in Delhi, Dehradun (Uttarakhand), Shimla (HP) and Cuddalore (TN) catering specifically to elder needs through old age homes & community based centres. 8000 treatments have been meted out this year.

In Shimla city there are three major govt. hospitals, but there is no geriatric ward in any of these hospitals. HelpAge India has started Physiotherapy Centres for elders in both urban (Vikas Nagar) and rural areas (Basantpur block, about 40 Km away from Shimla city) treating conditions that cause disability such as musculo-skeletal diseases, back pain, arthritis, etc.

EMERGENCIES

It was a year of disasters with floods, famine, cyclones all happening within a short span of time. HelpAge had its work chalked out, as the task ahead was huge and disaster widespread, with floods in Bihar, cyclone in Orissa and famine in Mizoram, the scale of relief work was immense. The worst affected were the elderly, as physically they are often sidelined while trying to access relief material.

The wrath of water

The change in the course of River Kosi, changed the course of life in Bihar, with the breach of its embankment. It caused catastrophic damage, with villages being wiped out, huge loss of

human lives, livestock, agricultural land & with many roads & railway tracks completely submerged. Life in Bihar came to a virtual standstill and the Govt. declared it a national calamity. It was a trying time for our relief workers as they worked day and night wading

Photo Credit: Girish, C. Mishra

An elderly man is helped by the locals as they make their way into drier land in Bihar.

Beneficiaries carry HelpAge relief material distributed in Midnapore district, West Bengal, which faced heavy damage caused by flash floods due to incessant rainfall in June 2008, affecting more than a lakh of people in the district.

through knee deep water venturing into areas completely inaccessible by transport on foot, providing much needed relief to the victims.

A large number of elderly were reduced to begging. A rapid assessment of the situation was done in severely affected districts: Saharsa & Supaul. Free medical camps, catering to the needs of the flood affected victims, were organized in Raghapur, Pratapganj and Basantpur blocks of Supaul district and Saharsa town of Saharsa district. 7114 families were distributed relief material which included ration, clothing and material for shelter.

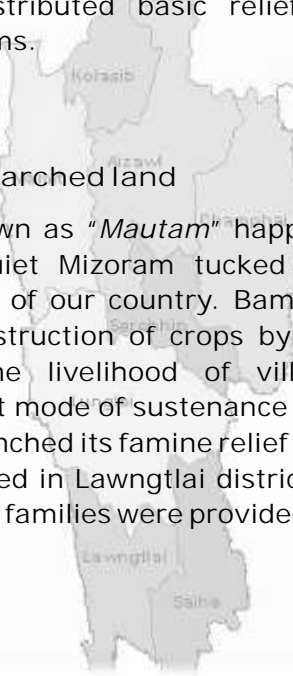

Orissa faced its own share of disaster as the Mahanadi river and its tributaries rampaged their way into the deltaic region creating havoc in 18 districts of the state and affecting the lives of 40 lakh people. The formation of a low pressure belt over the Bay of Bengal further led to heavy rains & floods during third week of September 2008. The need of the hour was food, medical assistance and essential items. MMU intervention was done in the worst affected areas of Cuttack, Bhubaneswar, Puri and Jagatsinghpur districts, covering 12 villages in 6 blocks of Orissa and 4577 people received treatment.

Work in cyclone affected areas

Cyclone "Nisha" crossed coastal Tamil Nadu near Karaikal in November 2008, leaving behind a significant death toll. Water from 3 reservoirs around Chennai city broke their bunds and flooded large parts of Manali, which is one of the low lying and the most polluted areas in Chennai. Lack of food and potable water triggered off a wide range of epidemics and infectious diseases. HelpAge distributed basic relief material to elderly victims.

Relief to parched land

Famine known as "Mautam" happens every 50 years in quiet Mizoram tucked away in the eastern end of our country. Bamboo flowering leads to destruction of crops by rodents thus affecting the livelihood of villagers whose predominant mode of sustenance is agriculture. HelpAge launched its famine relief project for the worst affected in Lawngtlai district of Mizoram. 740 affected families were provided ration.

SOCIAL PROTECTION

One major part of integrated services is Social Protection, aimed at providing a safety net for elders to lead secure and happy lives. The Sponsor – A - Grandparent programme has been redesigned to fulfill the concept of comprehensive Age Care going beyond its initial framework of simply sustenance. It now takes care of quality living, livelihood, health, provides counseling and uses advocacy as a tool, through participatory techniques. Social Protection is also provided through the varied services of HelpAge Helplines for elders spread across the nation and through the Elders for Elders Movement.

SPONSOR –A– GRANDPARENT FACTS

- ▶ 14,270 elderly supported in 23 states.
- ▶ Rs. 9.48 crore disbursed.
- ▶ 223 projects supported.

86 year old Abdul Khadder, is probably one of the oldest beneficiaries of HelpAge's Sponsor – A – Grandparent programme being run in Bangalore's Shivaji Nagar. A construction worker by profession, an accident 3 years back made him unable to carry on his work. His children could not support him, with no source of income he found relief through the Sponsor – A – Grandparent programme. Today, he lives a secure and an independent life, with his basic needs taken care of. This particular project has been on since 1987 and helps 142 older people living in the slums of Bangalore who don't have any other source of financial support.

The Elders for Elders Movement

After the successful completion of HelpAge's Poorest Areas Civil Society project which empowered many elders, HelpAge has started the Elders for Elders Movement (EEM) in Madhya Pradesh, Uttar Pradesh, Jharkhand & Gujarat. The prime objective was to mobilize the elderly to form Elder Self Help Groups (ESHGs), initiate savings for exploring livelihood opportunities and strive for their rights and entitlements in the existing social welfare and development schemes in these states.

Highlights of EEM:

- ▶ 259 ESHGs formed with 3560 members.
- ▶ Bank accounts of 250 ESHGs have been opened with overall savings worth Rs. 1.82 lakh.
- ▶ 10 District Level Federations registered.
- ▶ 50 Health Insurance, awareness & facilitation camps held in 10 districts, covering 12,470 patients and 5160 elderly insured.
- ▶ 7 Vriddh Melas organized in 8 districts providing varied services for the elderly.
- ▶ 9 district advocacy workshops organized. 4 State level workshops held to sensitize non-partner Civil Society Organizations to widen the agenda of the elderly.

Elderly women get techno savvy as they learn how to work on computers at a day care centre in Bangalore supported by HelpAge India. They use their internet skills to connect with their loved ones and some have found their independence by finding work opportunities in private companies.

Helplines for elders spread nationwide

HelpAge launched its first Helpline in Chennai in 2004, after providing support to a Helpline run in Bangalore a year before. HelpAge today has Helplines running across the country in Delhi, Cuddalore (TN), Hyderabad (AP), Mumbai (Maharashtra) and Shimla (HP) with upcoming launches in Bhopal (MP), Dehradun (Uttarakhand), Kolkata (WB) among others.

These Helplines are used to address problems of elders such as isolation, neglect, facilitate emergency responses, provide information on access to various elderly schemes and linkages with the government, police and referral rescue & relief services along with offering counseling services to help elderly in distress. Some Helplines have tied up with local shelters to provide much needed assistance to elders in need of care and protection. A total of nearly 3500 calls came in through the Helpline this year.

79 year old Rama Gupta, a Shimla resident, lives alone on Govt. pension, she had invested a large part of her savings in a finance company 17 years ago, which had promised her more than double returns after a time period. Deceived by the company, Rama called the HelpAge Shimla helpline for help. Today, Helpline volunteers are helping her with her case and she now has a Govt. advocate fighting her case.

SHELTERS

HelpAge has been working towards helping transform old age homes into composite shelters which go beyond providing simply a roof and meeting the basic needs of the elderly. It envisions residential complexes for elders offering a broader range of services and comfort, such as those provided in *Tamaraikulam Elders village, Cuddalore (TN)* and *Kalyan Ashram, Kolkata*.

HelpAge opens its first self-run old age home in the East

It is difficult to term the two storey *Ashram* situated in Chetla (Kolkata, WB) as an old age home, for the residents it is simply "Home". In July 2008, HelpAge inaugurated its first old age home in the Eastern Region called "*Kalyan Ashram*". Mr. K. S. B. Sanyal, HelpAge's Governing Body Member, gifted this property to the organization in memory of his father Prof. Som Nath Sanyal and his brother Shri Kalyan Kumar Sanyal after whom the home has been named.

The two storey building has been converted into a modern day home for elderly women with all the facilities of a library, physio care services and round-the-clock access to a doctor apart from weekly health check-ups through the MMU service. For the HelpAge staff members the residents of the *Ashram* are family. Together the staff and residents mark special days like birthdays, festivals, anniversaries etc.

Residents of Kalyan Ashram take a stroll on the rooftop of the home

103 year old Gopal Iyengar keeps everyone guessing his age at the old age home supported by HelpAge in Bangalore

CORPORATE SUPPORT STRENGTHENS ITS HOLD

HelpAge India has now established its footing firmly among corporates, who are willingly meeting its Corporate Fund Raising (CFR) needs. It has doubled its CFR support since the year 2007 – 08. We are extremely grateful to them for their sensitivity.

Mrs. Raghini Kiran Kumar (left), daughter-in-law of Mr. G. Malikarjuna Rao, GMR Group Chairman and Mrs. Meena Raghunathan, Director - Community Services, interact with MMU staff members at the Shamshabad MMU site. GMR Varalakshmi Foundation has been our biggest corporate supporter for the year 2008 – 09. It has contributed for the running cost of 3 MMUs in Andhra Pradesh - MMU Rajam, MMU Shamshabad and MMU Vemagiri. It has been nominated for the HelpAge "Silver Plate Award" for the year 2008 – 09 for being the highest corporate contributor.

(from right): Mr. Manjeet Singh, Deputy Director - Corporate Fund Raising, HelpAge India, Mr. D. K. Ghatak, Asst. General Manager, SAIL, Mr. Jitin Prasad, then Union Minister of State for Steel, Mr. Sushovan Sengupta, Sr. Manager, SAIL, Mr. A. K. Singh, Joint Director – Resource Mobilization (Lucknow), HelpAge India at the launch of MMU Lakhimpur Kheri (UP), supported by SAIL (Delhi).

CFR support for 2008-2009

- ▶ 12 corporates supported 19 MMUs.
- ▶ 18 corporates funded 5884 surgeries.
- ▶ 9 corporates supported 306 beneficiaries through the Sponsor – A – grandparent programme.
- ▶ 9 corporates supported Bihar flood relief & rehabilitation work.
- ▶ 73 corporates supported the cause in general.

Mr. Syed M. Salahuddin, Managing Director, ETA Ascon Star Group (Dubai) launches the new Mobile Medicare Unit at Ramnad district (TN). Looking on is Mrs. Indrani Rajadurai,

National Director (South & West), HelpAge India. The group has sponsored the MMU at Ramnad District (TN) to serve the elders in and around Keelakarai town. They have contributed towards the capital & running cost of the MMU for 3 years along with bearing the cost of 1000 cataract surgeries for the elders of Ramnad district. The group has been nominated for the "Bronze Plate Award" a first of its kind introduced by HelpAge India, to honor the second highest contributor to the cause in the year 2008 -09.

Mr. Hari Narayana (centre), Chairman of IRDA and a consistent supporter to the cause, presents a cheque as donation towards cataract surgeries, in the presence of Mr. U S. Roy, CEO of SBI Life, to Mrs. Indrani Rajadurai, National Director (South & West), HelpAge India, in Hyderabad. SBI Life Insurance, Mumbai, contributed for 1900 cataract surgeries to be conducted in Bhopal, Hyderabad, Kolkata and Northern India. SBI (Chandigarh) on the other hand supported a new Mobile Medicare Unit for Amritsar and its medical equipments.

Unstinted support

Mr. R.H. Dalmia, Joint President, OCL India Ltd. receives the 'Silver Plate Award' for excellence in Corporate Social Responsibility, from Mr. Kapil Sibal, then Union Minister of Science & Technology and Earth Sciences, on International Day of Older Persons, 2008. OCL was the highest corporate contributor in the year 2007-08.

Dr. Narges M, Sr. Advisor, Quintile Group of Companies, hands over a voluntary contribution raised by the employees for Bihar relief work to Mr. Anil Kumar Massey, Sr. Manager, Resource Mobilization (Gujarat) & Mr.

Krishnanand Kuniyal, Sr. Executive, Resource Mobilization (Ahmedabad), HelpAge India.

Strengthening intergenerational ties

Ms. Meira Kumar, then Union Minister for Social Justice and Empowerment flags the intergenerational walk at Rajpath, Delhi. Over 300 school children along with 2500 senior citizens marched together emphasizing the importance of intergenerational bonding on Oct. 1, International Day of Older Persons 2008. Nationwide similar walks were organized and fresh impetus was given to the existing healthcare programme for the elderly.

IRON SUPPORTERS

We are deeply indebted to the following two supporters of the cause. They were both honored on International Day of Older Persons 2008, at the national capital for their contribution, by Mr. Kapil Sibal, then Union Minister of Science & Technology and Earth Sciences.

Mrs. Dulcie Ilango (second from left), Head Mistress, OCPM Girls Hr. Sec. School, Madurai, along with Mrs. Jenova Evanglein,

teacher from the school, receives the 'Samson Daniel Award' from Mr. Kapil Sibal. Looking on is Mr. Mathew Cherian, Chief Executive, HelpAge India. OCPM contributed the highest towards the cause in the financial year 2008-09 and has been nominated again. We thank them deeply for their support and sensitivity.

Mrs. Grace Pinto, Managing Director, Ryan International Group of Institutions, has been one of the strongest pillars of support to the cause through her group of schools spread all the across the nation. She was honored with the HelpAge India 'Excellence Award' by Mr. Kapil Sibal. We also thank Dr. Augustine Pinto, the Chairman of the Group of Institutions for his support.

Special Mention

- ▶ WNS Global Services Pvt. Ltd. (Mumbai) gave a grant supporting 700 IOL surgeries for cataract affected elderly.
- ▶ Archies Limited has been supporting the cause for the past 20 years.
- ▶ Hi-Tech Arai Ltd. (Madurai), promised support towards the running cost for MMU Madurai for 3 years (2008-2011).
- ▶ KPMG (Hyderabad) donated an MMU for Hyderabad and is supporting its running cost for 3 years along with supporting the ophthalmic care programme and donating unrestricted funds for the cause.
- ▶ Microsoft donated software that will take care of the licensing requirements of the entire organization.
- ▶ Tractors Welfare Trust, TIL, Kamarhati, Kolkata (WB) for being consistent supporters of Kolkata's MMU programme.
- ▶ Pramode Ranjan Dasgupta – Kabita Rani Benevolent Fund. A Trust by Shri Swapan Dasgupta, donated substantially towards the HelpAge Corpus Fund.

THE INDOMITABLE SPIRIT OF ACTIVE AGEING

In an attempt push forth active ageing and raise awareness about issues relevant to senior citizens, various art forms such as theatre and photography were used as mediums. On one hand the theatre fraternity put up spell binding theatrical performances and on other an 86 year old 'Pictorialist' showcased his lifetime's work in aid of the cause. Here are some glimpses:

A scene from "As the Sun Sets" a play staged in Delhi, directed by theatre veterans Smita Bharti & Swaroopa Ghosh, and produced by the Hungary Heart Festival & Class Apart Productions. The play journeys through the life of a senior citizen.

86 year old "Pictorialist" Chander Dhawan takes another look at his lifetime's work displayed at a solo exhibition organized by HelpAge in Delhi, titled "VoyAge".

IN MEMORIUM

We mourn the loss of Late Mr. C.M Ramkumar, Bangalore, who donated a large sum through Mutual Funds Investments towards HelpAge India Corpus funding. We are deeply touched by his sensitivity he showed the cause during his lifetime.
